### Community Programs Promoting Good Health

#### First Announcement of Grants

On Friday 12 October 2007 the Minister for Health and Ageing, the Hon Tony Abbott MP, announced grants for the 320 organisations listed below under the Healthy Active Australia Community and School Grants Program, a part of the Australian Better Health Initiative (ABHI).

This is the first tranche of organisations that meet the compliance and selection criteria for the grants with more to follow, particularly for activities being implemented in schools and from a number of other organisations.

Funding is dependent upon satisfactory contractual negotiations between the organisations and the Department of Health and Ageing.

Please note that consideration of applications is continuing and further announcements will be made in the future.

For further information on the grants program please visit [www.healthyactive.gov.au/communityschoolgrants](http://www.healthyactive.gov.au/communityschoolgrants).
